

# ◀ See a Voice ▶

## IDENTITY USAGE GUIDELINES

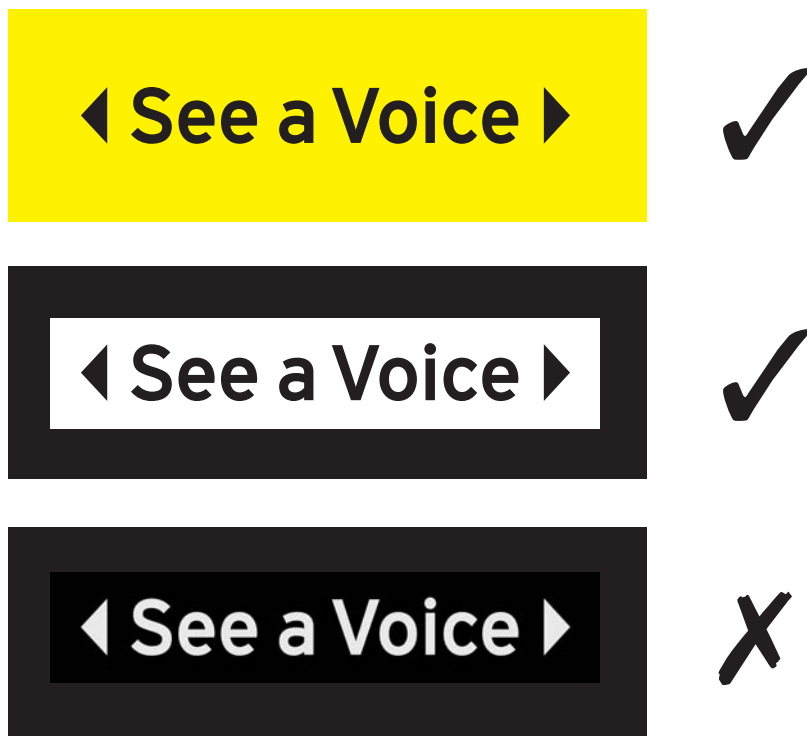

The See a Voice logo is supplied in EPS format.

## COLOURS

The logo has been designed to print in black only. Legibility will be good on white or a light background colour. Please do not reverse the logo out of any background. If the logo needs to be placed on a darker background please use the version that sits on a white box, this version has been included in the logo eps. Please see examples below.
